

How to use the Ways of Working Journey Checker/ Sut i ddefnyddio'r Gwiriwr Cynnydd Ffyrdd o Weithio

Our tips for running an exercise/ Ein hawgrymiadau ar gyfer rhedeg yr ymarfer:

The tool works best as a collaborative exercise either between people and teams in the organisation or between partners in Public Services Boards.	Mae'r offeryn yn gweithio orau fel ymarfer cydweithredol naill ai rhwng pobl a thimau yn y sefydliad neu rhwng partneriaid mewn Byrddau Gwasanaethau Cyhoeddus.
Completing the questions alongside people that may not be so familiar with the work happening in, for example, 'involvement' or 'long-term' can also help with sharing and integrating existing work.	Gall cwblhau'r cwestiynau ochr yn ochr â phobl nad ydynt efallai mor gyfarwydd â'r gwaith sy'n digwydd, er enghraifft, 'cynnwys' neu 'hirdymor' hefyd helpu i rannu ac integreiddio gwaith presennol.
The questions can also be completed by organising a collaborative workshop where you decide together which answer fits best with where your organisation is and then discuss the results together.	Gellir cwblhau'r cwestiynau hefyd trwy drefnu gweithdy cydweithredol lle byddwch yn penderfynu gyda'ch gilydd pa ateb sy'n cyd-fynd orau â lleoliad eich sefydliad ac yna'n trafod y canlyniadau gyda'ch gilydd.
Remember, this is not an exact science as many of the questions ask for qualitative rather than quantitative answers so you may have to go with your intuition.	Cofiwch, nid yw hon yn wyddor fanwl gywir gan fod llawer o'r cwestiynau'n gofyn am atebion ansoddol yn hytrach na meintiol felly efallai y bydd yn rhaid i chi gyd-fynd â'ch greddf.
Remember this is a journey that the whole of Wales is going on together. This is not a task and finish process - as we advance on the journey, so will our aims and vision.	Cofiwch fod hon yn daith y mae Cymru gyfan yn mynd arni gyda'i gilydd. Nid proses gorchwyl a gorffen mo hon – wrth i ni symud ymlaen ar y daith, felly hefyd ein nodau a'n gweledigaeth.
One of the most valuable takeaways will be the discussion itself between different teams, or you and different partner organisations.	Un o'r elfennau mwyaf gwerthfawr fydd y drafodaeth ei hun rhwng gwahanol dimau, neu chi a sefydliadau partner gwahanol.
If you need ideas about how a workshop might work, get in touch with us and we'd be happy to offer some thoughts based on our own experience with the tool.	Os oes angen syniadau arnoch am sut y gallai gweithdy weithio, cysylltwch â ni a byddem yn hapus i gynnig rhai syniadau yn seiliedig ar ein profiad ein hunain gyda'r offeryn.

How to create logins and use the tool/ Sut i greu mewngofnodi a defnyddio'r offeryn:

<p>One person in the organisation will need to create login details. They then become an admin.</p>	<p>Bydd angen i un person yn y sefydliad greu manylion mewngofnodi. Yna maent yn dod yn weinyddwr.</p>
